Chapter 1 by Story Wars

Hi, my name's Alex Skywalker. You may have heard of my dad, Luke Skywalker. Yeah the last jedi, that's him. Well you know his story. It made him famous. He even had 3 movies! I know cool right? Wrong. This is the story of how having a famous jedi as a dad really isn't that great. I grew up on the go, never in one place for very long. I had some friends. Mostly jedi kids that my dad was teaching at the time, but they never stayed for very long. It was just me and my dad most of the time. My mom died a couple of years ago. I never really knew her, she died when I was 5. I'm eleven now. My dad's trying to teach me the ways of the jedi, but I just can't get the hang of it!
